Since 2009 Stark State College has supported and been a beneficiary of the *Canton Carnival of Wheels*. All net proceeds of the event fund an automotive engineering technology scholarship, awarded annually to a traditional or non-traditional automotive program student, full-or part-time, with a minimum GPA 2.5.

All of the automotive technology programs at Stark State are structured to prepare students for a productive career in the automotive service industry. In our two state-of-the-art automotive facilities, students use the latest tools and diagnostic equipment to apply practical service techniques to a fleet of late-model vehicles. This builds hands-on skills that can be applied immediately while in the program or upon graduation. The automotive curriculum is accredited by the Automotive Service Excellence (ASE) Education Foundation, preparing students to pursue ASE certification.

Students enrolled in the two-year automotive associate's degree, comprehensive automotive certificate, or the one-year automotive certificate can select specialty electives in:

- General Motors Automotive Service Education Program (ASEP)
- Honda Professional Automotive Career Training (PACT)
- Toyota Technician Training Education Network (TTEN)
- Caterpillar Lift Truck
- Ford Automotive Career Exploration (ACE)
- Subaru U
- ASE Test Preparation
- Automotive Detailing
- Automotive Aftermarket Modifications

Graduates of Stark State's associate degree programs receive an associate degree in applied science in automotive and transportation technology.

CANTON CARNIVAL OF WHEELS

Each year the Canton Carnival Of Wheels has donated 100% of its Net Proceeds for Scholarships to the Stark State College Automotive Technology Center Students. Since 2009, we have donated more than \$120,000.00.

To sustain our ability to support Stark State College Automotive Technology students, we need additional help. Will you join our Planning Committee for the 17th annual event --- to be held on Sunday, September 8, 2024? Or work at the event itself? Or become one of our Sponsors?

If you would like to join our team, please phone:

- ♦ **Dick Mautz at: (330) 837-3878; dickmautz@att.net**
- or
- ♦ **Dan Thoma at: (330) 493-9202; dethoma3@aol.com**

Our Mission Statement

We will organize family oriented events featuring vehicles on wheels and sponsors' displays that promote their products and services, including latest technologies, to advance business in the community. All net proceeds are donated to Stark State College Automotive Technology Scholarships.

Learn more about us at:
www.cantoncarnivalofwheels.com
